

Dear Parent(s) or Guardian(s)

Your child has received this document because their school is part of the pilot project Thüringer Schulcloud. Among other things, this involves trialling the teaching of lessons in an online learning environment.

To be able to work in the cloud your child needs login data. You will obtain this data from the registration process described below.

To set up student access to the Thüringer Schulcloud, enter the following address in the address bar of your web browser:

www.schulportal-thueringen.de/tsc

Then enter the following registration data in the registration form that opens and follow the instructions on the registration process:

Registration code:

First name: **Max**

Surname: **Mustermann**

This data is valid until the stated date. After this date you will need to have another registration letter issued.

Please hand in the signed section of the privacy policy to your child's school.

Best regards

Thüringer Schulcloud Team
